

Decoded Faith Empire

App Store Submission Guide — Version 1.4.0 (Build 5)

Build Details

Version: 1.4.0 | **Build Number:** 5 | **Bundle ID:** com.decodedfaithempire

App Name: Decoded Faith Empire | **ASC App ID:** 6759208291

Step-by-Step Changes in App Store Connect

Step 1: Update Subscription Price to \$8.88/month

1. Go to **App Store Connect** → **My Apps** → **Decoded Faith Empire**
2. Click **Subscriptions** in the left sidebar
3. Click on the subscription product: **com.decodedfaithempire.app.premium.monthly**
4. Under **Subscription Prices**, edit the price to **\$8.88 USD/month**
5. Save

Step 2: Update Subscription Description

While still in the subscription product, update the **Description** field with:

Unlock the full Decoded Faith Empire experience: daily decoded Bible verses, complete KJV Bible reader, all 66 decoded books, full podcast library, verse archive and favorites, and early access to new releases. Auto-renews monthly at \$8.88/month.

Step 3: Create New Version 1.4.0

1. Go to the **App Store** tab in the left sidebar
2. Click the **+** button next to "iOS App" to add a new version
3. Enter version number: **1.4.0**
4. Select **Build 5** (should already be uploaded and processing)

Step 4: Update Promotional Text

Copy and paste into the **Promotional Text** field:

The Bible decoded into today's language. Daily verses, all 66 books decoded, full KJV reader, and podcast — all in one app. Subscribe and start your faith journey.

Step 5: Update Description

Copy and paste the following into the **Description** field:

Decoded Faith Empire delivers a fresh Bible verse and plain-language decoded message every single day. Whether you're a lifelong believer or just beginning your spiritual journey, this app meets you where you are with scripture that's easy to understand and apply to your everyday life.

DAILY DECODED VERSES

Every day at midnight Eastern Time, a new Bible verse appears on your home screen along with a "decoded" message — a modern, motivational interpretation written in plain language that makes the Word accessible and actionable.

FULL KJV BIBLE READER

Read the complete King James Version Bible with all 66 books organized by Old and New Testament. Tap any verse to highlight it and build your personal collection of meaningful passages.

ALL 66 BOOKS DECODED

Experience the entire Bible decoded sentence-by-sentence into today's language. All 66 books — from Genesis to Revelation — with over 31,000 verses presented side-by-side: the original KJV text alongside a modern decoded translation (DMLV). Organized into four series: The Law, History, Wisdom/Poetry & Prophets, and The New Testament.

PODCAST

Listen to faith-based podcast episodes directly in the app with a built-in audio player. Stay inspired on the go with teachings that complement your daily verse.

SAVE AND HIGHLIGHT

Tap to highlight verses across the Bible and all decoded books. Save your favorite daily decoded verses for quick reference. All your saved content is organized in one place.

VERSE ARCHIVE

Browse the complete collection of decoded verses. Filter by category to find exactly what speaks to your current season of life — whether you need encouragement, wisdom, strength, or peace.

DESIGNED FOR YOUR FAITH JOURNEY

- Beautiful dark theme with gold accents
- Mobile-first design that feels native
- Share verses with friends and family
- Updated daily with fresh content

Decoded Faith Empire is built by Brittany Johnson (decodedfaithempire.org) to make the Bible accessible to everyone.

SUBSCRIPTION INFORMATION

Decoded Faith Empire requires a subscription to access app content. The subscription costs \$8.88/month and includes daily decoded Bible verses, the full KJV Bible reader, all 66 decoded books, the complete podcast library, verse archive and favorites, and early access to new releases. Payment is charged to your Apple ID account. Subscription automatically renews unless cancelled at least 24 hours before the end of the current period. Your account will be charged for renewal within 24 hours prior to the end of the current period. Manage or cancel anytime in your Apple ID Account Settings. Terms of Use:

<https://faithempire.replit.app/terms> | Privacy Policy: <https://faithempire.replit.app/privacy>

Step 6: Add Release Notes (What's New)

Copy and paste into the **What's New in This Version** field:

v1.4.0 — Subscription-only access at a new lower price of \$8.88/month. Updated and corrected all New Testament decoded books. Mark and John now complete with all chapters. Improved decoded verse accuracy across all 27 New Testament books.

Step 7: Confirm Links

Verify these are set in **App Information**:

Privacy Policy URL: <https://faithempire.replit.app/privacy>

Terms of Use URL: <https://faithempire.replit.app/terms>

(Should already be set from your previous submission.)

Step 8: Add Notes for Reviewers and Submit

Copy and paste the following into the **Notes for Reviewer** field:

This update changes Decoded Faith Empire from a freemium model to a subscription-only model at \$8.88/month.

What changed in v1.4.0:

- All app content now requires an active subscription to access
- Subscription price changed from \$12.22/month to \$8.88/month
- Upon launch, non-subscribers see a paywall screen showing what is included, the price, subscribe and restore buttons, and links to Terms of Use and Privacy Policy
- Updated and corrected all 27 New Testament decoded book translations
- Mark now includes all 16 chapters (previously 6)
- John now includes all 21 chapters (previously 3)
- Matthew verified at 100% verse coverage

The app uses Apple StoreKit for subscription handling. The subscription product ID is:
com.decodedfaithempire.app.premium.monthly

Terms of Use: <https://faithempire.replit.app/terms>

Privacy Policy: <https://faithempire.replit.app/privacy>

No demo account is needed. To test the full app experience, a sandbox Apple ID with an active subscription to the above product ID can be used.

Then click **Add for Review** → **Submit to App Review**
